TERMS and CONDITIONS

The player assumes all risk of personal injury and/or loss which may result from participation in all activities of the Wichita Ice Sports, The Wichita Adult Hockey League (WAHL), Youth Summer Hockey Leagues, Learn to Play Hockey (LTPH), or Learn to Skate (LTS) programs. The player will not hold the Wichita Ice Center, WAHL, LTPH, or LTS staff, instructors, coaches, owners, sponsors, agents, or employees of any ice facility used by the WAHL, Youth Summer Hockey, LTPH, or LTS liable for injury or loss which the player may sustain while participating in any WAHL, Youth Summer Hockey, LTPH or LTS activity. The player understands that the sports of ice skating, and ice hockey have physical dangers which may result in serious injury, loss, or death.

Our Camp Philosophy

Here at the Wichita Ice Center we realize the importance of kids receiving a balanced learning experience. Our Mite camp will feature "skating specific" instruction to enable each player to develop their skating skills. Areas of focus will be proper skating mechanics, balance and learning their edges. Players will also be challenged by our specific skill development stations; which will include puck-handling, shooting techniques and passing.

Our instructor's will focus on developing a solid foundation of skills the players will be able to rely on for years to come. Players will be challenged to move outside their "comfort" zones. Our focus will be on improved skating, shooting, and team play skills. Morning sessions will be 1 hour in duration and will consist of foundational skating skills and some puck handling and passing. Afternoon sessions will be 1 hour in duration and will consist of on-ice games, mini-scrimmages and shooting drills.

We hope all players come away from camp with a better understanding and love for hockey, the greatest game on Earth.

* ***This camp will be for any beginning to intermediate level youth player ages 5-9yrs. old or any house-league 1st year Squirt!***

Please contact Shane Brydges at: 337-9199 if you have questions.
